Rolf:

You can submit it as a PDF if you like, or in Word. An e-mail attachment to me would be fine as long as you copy all parties. Or you can use our e-filing system. (Check out the Commission's home page.) I have gotten them all kinds of ways.

Thanks and Regards,

David Butler
Senior Counsel

Mr. Butler:

Does the PSC have any format requests for the proposed order, e.g. word or wordperfect and would an e-mail attachment to you be sufficient or otherwise. Thank you and best regards-Rolf Baghdady
